

**INDOOR/OUTDOOR
NON-ACIDIC COIL CLEANER**

EASY CLEAN COIL CLEANER

Air Conditioners

Refrigeration Units

Dehumidifiers

Heat Pumps

Removes grease, dirt, and dust for a more energy-efficient unit. For use on air conditioners, refrigeration units, dehumidifiers, and heat pumps. Safer than high alkaline coil cleaners, **Easy Clean Coil Cleaner** is 100% water soluble, fume free, and easy to apply.

- Rinses automatically with the natural condensation action
- Amber yellow liquid appearance with fresh orange fragrance
- No dilution required; ready to use
- Increases efficiency; environmentally friendly

Contains Dissolve® biodegradable agent that binds to metal and aids the cleaning process.

**NON-ACIDIC
INDOOR / OUTDOOR**

**Improves the Energy-Efficiency
of your Air Conditioner,
Refrigeration Unit,
Dehumidifier, or Heat Pump**
